PROFESSIONAL EXPERIENCE

Chief Operating Officer Jul 2026 – Oct 2026
Everliving Services Ltd, Peterborough

- Provided IT support to staff, fixing PC and printer problems and keeping printers supplied
- Set up new PCs and laptops for staff, and set up email on their phones
- Managed users and passwords in the Microsoft 365 admin centre (Entra ID) and on PCs
- Fixed Microsoft 365 across four business tenants and set up Microsoft Teams
- Built a tool that files hundreds of weekly care records into SharePoint, with a staff dashboard
- Automated bulk funder remittance processing, replacing manual Excel entry

Finance Officer & Automation Lead Feb 2026 – Jun 2026
Everliving Services Ltd, Peterborough

- Rolled out ChatGPT Business and Codex, training the directors and head office staff
- Automated the tracking of payroll hours and the collection of MDT care notes
- Ran invoicing, reconciliation and credit control for council- and NHS-funded care and rent

Trainee Mathematics Teacher Aug 2024 – May 2025
University of Nottingham

- Taught mathematics on secondary school placements

Private Tutor (part-time) Sep 2020 – Present
Self-employed

- Tutored GCSE to undergraduate mathematics and A-level Physics alongside study and work

PROJECTS

- Personal website on GitHub Pages, with live interactive projects
- Suika bot: game-playing bot trained by self-play (Python, PyTorch, Rust, WebAssembly)
- Maintain and upgrade my own self-built PC, both hardware and software
